### Rose. 12" x 12" block.

This is part of an occasional series of flower blocks. I have made this block using hand applique but you could use machine applique. The templates include a 1/4" seam allowance, which if you used fusible applique you would not use.

#### Fabric requirements.

12.5" x 12.5" white fabric square for the background.

Scraps of two tones of red fabric .

Scraps of two tones of green fabric.

#### To make.

Cut out the templates, use the templates to draw on to the fabric and cut out the pieces needed to make the rose.

Fold the white background fabric into quarters to find the middle.

1. Place piece 10 so the bottom of the piece is 1" below the horizontal centre fold of the background square and 2" to the left of the vertical centre fold.

Baste in place and sew into position. Figure 1.

With piece 11 to the right of piece 10.  
Above this add piece 9. Figure 2.

3. Place piece 4 between pieces 3 and 9.  
To the left of piece 11 add piece 12. Figure 3.

4. Place piece 2 over the top of piece 1 so that  
the right bottom corner touches the side of piece 3.  
Fit piece 5 over the top of piece 3 and the top of  
piece 4.  
To the right of piece 5 add piece 6.  
To the right of piece 6 add piece 7.  
And to the right of piece 7 add piece 8. Figure 4.

5. Below piece 10 add piece 13.  
To the left side of piece 13 add piece 14.  
Add piece 17 below the join of pieces 1 and 10.  
Place piece 16 to the bottom of piece 17.  
Add piece 15 below piece 16. Figure 5.

This completes this block.
